1.0 INTRODUCTION

1.1 About the Employer Job Offer Streams

The Ontario Immigration Nominee Program (OINP) allows foreign workers and international students with the right skills, experience and education to apply for a nomination for permanent residence in Ontario.

The Employer Job Offer streams offer employers an opportunity to recruit and retain foreign workers to help fill their labour needs.

The program offers three job offer streams for Ontario’s employers:

- Employer Job Offer: Foreign Worker Stream
- Employer Job Offer: International Student Stream
- Employer Job Offer: In-Demand Skills Stream

The streams are open to foreign workers and international students, living abroad or in Canada, who have a job offer for a permanent and full-time position from an employer in Ontario. Applicants must meet all eligibility criteria and submit an Employer Form completed by you, the employer.

Please note that for program purposes, the foreign worker or international student is referred to as the 'applicant' and is responsible for submitting the application.

As an employer supporting an application to one of the Employer Job Offer streams, you will be required to:

- Meet minimum employer eligibility requirements;
- Complete and sign the Employer Form. The Employer Form provides information about you as the employer and attests that you meet program criteria; and
- Provide the applicant with a job offer that meets position and wage criteria.

1.2 About the Employer’s Guide

This guide is to be used by Ontario employers who are supporting an application under the Employer Job Offer: Foreign Worker Stream, the Employer Job Offer: International Student Stream or the Employer Job Offer: In-Demand Skills Stream.

The guide provides you with information about the employer job offer streams and eligibility requirements. The guide also sets out the criteria you must meet as an employer supporting an application and the minimum requirements of the position offered to the applicant.
1.3 How an Applicant Qualifies under an Employer Job Offer Stream

The following provides an overview of the eligibility criteria of each of Ontario’s job offer streams:

To qualify under the **Employer Job Offer: Foreign Worker Stream**, the applicant must meet minimum program requirements including:

- a valid licence or other authorization from the applicable regulatory body in Ontario for the same occupation as the job offer **OR** work experience in the same occupation as the job offer; and
- legal status in Canada (i.e., study permit, work permit, visitor record) if currently residing in Canada.

You can learn more about the eligibility requirements for an applicant in the Application Guide - Employer Job Offer: Foreign Worker Stream.

To qualify under the **Employer Job Offer: International Student Stream**, the applicant must meet minimum program requirements including:

- a degree, diploma or certificate from an eligible Canadian institution that is completed within two years of submitting their application;
- relevant mandatory licencing in Ontario if the position is in a regulated occupation; and
- legal status in Canada (i.e., study permit, work permit, visitor record) if currently residing in Canada.

You can learn more about the eligibility requirements for an applicant in the Application Guide - Employer Job Offer: International Student Stream.

To qualify under the **Employer Job Offer: In-Demand Skills Stream**, the applicant must meet minimum program requirements including:

- work experience in Ontario in the same occupation as the job offer;
- a Canadian high school diploma or its equivalent;
- language skills in English and/or French;
- sufficient funds to settle in Ontario; and
- legal status in Canada (i.e., study permit, work permit, visitor record) if currently residing in Canada.

You can learn more about the eligibility requirements for an applicant in the Application Guide - Employer Job Offer: In-Demand Skills Stream.
2.0 EMPLOYER ELIGIBILITY CRITERIA

To be eligible to apply under any of the Employer Job Offer streams, you must meet employer eligibility criteria.

You will be asked to provide your Business Number on the Employer Form. The Business Number is used to confirm the employer for the purpose of the application and the verification of employer criteria.

The Business Number is a unique number the Canada Revenue Agency assigns your business as a tax ID. It is a nine-digit number that is unique to your business and that is used when dealing with federal, provincial, or local governments.

*Note:* Franchisors¹ and franchisees² are treated as separate employers. If you are a franchisee and have made a job offer to a foreign worker or an international student, you (and not the franchisor) are considered to be the employer for the purposes of the application and are responsible for meeting all program criteria.

2.1 Active Business

Your business must have been in active business for at least three years prior to the date of application submission.

If your business is a corporation that has been amalgamated within the last three years, you must demonstrate that:

- at least one of the predecessor businesses had been in continuous operation prior to amalgamation.

If you purchased an existing business within the past three years, you must demonstrate that:

- the business had been in continuous operation prior to being purchased; and,
- the purpose of the business remained the same following the purchase (that is, the same products and services continued to be provided).

*Note:* You will be asked to provide the date of incorporation and the incorporation/registration number of your business on the Employer Form.

- If your business is not incorporated, enter the date that your business was established.
- If your business was incorporated or amalgamated in Ontario, the incorporation number appears on the top-right corner of the Certificate of

---

¹ A franchisor is a company that allows an individual (known as the franchisee) to run a location of their business. The franchisor owns the overarching company, trademarks and products, but gives the right to the franchisee to run the franchise location, in return for an agreed-upon fee.

² A franchisee is an individual or company that holds a franchise for the sale of goods or the operation of a service.
Incorporation/Continuation or Amalgamation, or in your business’s Letters of Patent.

- If your business was incorporated or amalgamated outside of Ontario, this number appears in the top-right corner of the Extra Provincial Licence.
- If your business does not require a licence, the number is assigned upon filing the Initial Return/Notice of Change by an Extra-Provincial Corporation (Form 2) with Service Ontario.

2.2 Business Premises in Ontario

You must maintain a place of business in Ontario where the applicant will work. If the applicant will work at more than one location, you must maintain a place of business in Ontario where the applicant will report to work.

2.3 Regulatory Compliance

There must be no outstanding orders made against your business under the Ontario Employment Standards Act, 2000 or the Ontario Occupational Health and Safety Act.

2.4 Gross Annual Revenue & Full-Time Employees

2.4.1 Gross Annual Revenue

You must be able to demonstrate that your business as a whole met the minimum gross annual revenue in its most recently completed fiscal year prior to the date of application submission:

- If the applicant will work or report to work at a location in the Greater Toronto Area (including the City of Toronto, Durham, Halton, York and Peel regions), you must demonstrate that your business had a total gross annual revenue of at least $1,000,000 (excluding HST/GST).
- If the applicant will work or report to work at a location outside the Greater Toronto Area, you must demonstrate that your business had a total gross annual revenue of at least $500,000 (excluding HST/GST).

2.4.2 Full-Time Employees

You must be able to demonstrate that your business has the required minimum number of full-time employees who are Canadian citizens or permanent residents employed at the location where the applicant will work or report to work as of the date of application submission:
• If the applicant will work or report to work at a location in the Greater Toronto Area, you must demonstrate that your business has at least five full-time employees who are Canadian citizens or permanent residents who work at the location where the applicant will work or report to work.
• If the applicant will work or report to work at a location outside the Greater Toronto Area, you must demonstrate that your business has at least three full-time employees who are Canadian citizens or permanent residents who work at the location where the applicant will work or report to work.

2.4.3 Definitions

Greater Toronto Area

The GTA includes the City of Toronto, Durham, Halton, York and Peel regions. Please see Appendix 1 for a map of the Greater Toronto Area.

Meaning of ‘report to work’

In cases where the applicant will work at more than one location, the location where the applicant will ‘report to work’ means:

• The location where the applicant’s immediate supervisor or manager works; or
• The location of the administrative office where the applicant will receive work assignments.

Meaning of ‘full-time employee’

A full-time employee is an employee who has worked a minimum of 30 hours per week.

2.5 Recruitment Efforts

You may be required to demonstrate that you made reasonable but unsuccessful efforts to fill the position of the job offer with a Canadian citizen or permanent resident.

For employers supporting applications under the Foreign Worker and In-Demand Skills streams, you are required to demonstrate reasonable recruitment efforts if the applicant is:

• an individual currently living abroad,
• visiting Canada, or
• working in a province or territory other than Ontario.
For employers supporting applicants under the Foreign Worker and In-Demand Skills streams, you are not required to demonstrate reasonable recruitment efforts if:

- the applicant is an individual authorized to work in Ontario; or
- you have a positive Labour Market Impact Assessment (LMIA) for the exact National Occupational Classification (NOC) code and position being offered to the applicant.

**Note:** An LMIA is a document that you may be required to obtain from Employment and Social Development Canada before hiring a foreign worker. A positive LMIA shows that there is a need for a foreign worker to fill the job. You are not required to have a positive LMIA to apply to the OINP. However, if you do not have an LMIA for the exact position of the job offer, you will be required to demonstrate that you undertook reasonable recruitment efforts to fill the position with a Canadian citizen or permanent resident.

**Note:** Employers supporting applications under the International Student Stream are not required to demonstrate recruitment efforts.

**Demonstrating Reasonable Recruitment Efforts**

You will be required to include a summary of your recruitment efforts prior to offering the position to the applicant in Section D of the Employer Form. The summary should include:

- a description of the job advertisement and a summary of the content included as part of the job advertisement;
- the location of where the job advertisement was posted;
- the duration of the posting of the job advertisement;
- how many individuals applied for the position; and
- a summary of the recruitment results including the interviews that were conducted.

You must also provide copies of your job advertisements to the applicant to upload with the online application.

You should use a minimum of two advertising or recruitment methods, including:

- Job Bank advertisement ([Government of Canada’s Job Bank](https://www.canada.ca))
- Print media (national or provincial / territorial newspapers, national journals, magazines with national coverage, specialized journals, professional association magazines, newsletters, etc.)
- Advertisement on general employment websites (Workopolis.com, monster.ca, indeed.ca, LinkedIn Jobs, CareerBuilder.ca, Glassdoor.ca, Eluta.ca etc.)
• Advertisement on specialist websites dedicated to specific occupation profiles (accounting, marketing, biotechnology, education, engineering etc.)
• Posting on employer’s career website for internal and external candidates
• Demonstrated participation at job fairs

Your job advertisements should be posted for at least four weeks prior to offering the position to the applicant, be accessible to the general public and include:

• Business operating name
• Business address
• Position title and duties
• Skill requirements which include education and/or work experience
• Wage (where a wage range is posted, the median wage must be within the range)
• Location where the employee will work (city or town in Ontario)
• Contact information – name, address, phone number, email
• Date advertisement posted

Note:
• You should not submit personal information about candidates to the OINP.
• You may use third-party professional recruitment agencies, head hunters or HR consulting firms to conduct recruitment on your behalf, provided you can demonstrate reasonable recruitment efforts were undertaken as described above.
• You should not employ an authorized immigration representative to conduct recruitment efforts on your behalf.

3.0 JOB OFFER AND POSITION CRITERIA

You must provide the applicant with a job offer for a position that meets the following requirements:

3.1 Full-Time and of an Indeterminate Duration

The position must be full-time and of an indeterminate duration (i.e. permanent).

The position must consist of at least 30 hours of paid work per week for 52 weeks. This includes periods of paid vacation.
3.2 Eligible Occupations

For information on how to find the NOC code of the position of the job offer, please see Appendix 2.

3.2.1 Foreign Worker and International Student Streams

The position must be in a skilled occupation, Skill Type 0 or Skill Level A or B, in accordance with the National Occupation Classification (NOC) for the Foreign Worker and International Student streams.

3.2.2 In-Demand Skills Stream

The position must be in one of the following eligible occupations in NOC Skill Level C or D for the In-Demand Skills Stream:

- NOC 3413 – Nurse aides, orderlies and patient service associates;
- NOC 4412 – Home support workers and related occupations, excluding housekeepers;
- NOC 7441 – Residential and commercial installers and servicers;
- NOC 7521 – Heavy equipment operators (except crane);
- NOC 7511 – Transport truck drivers;
- NOC 8431 – General farm workers;
- NOC 8432 – Nursery and greenhouse workers;
- NOC 8611 – Harvesting labourers;
- NOC 7611 – Construction trades helpers and labourers;
- NOC 9462 – Industrial butchers, meat cutters, poultry preparers, related workers.

3.3 Wage Level

3.3.1 Low Wage Level

For the International Student Stream, the position must meet or exceed the low wage level for the occupation in the specific employment region of Ontario where the applicant will be working. Please see Appendix 3 for steps on how to find the low wage level for the occupation.

Note: If the wage of the employment region where the applicant will work or report to work is not available on the Wage Report, the Ontario wage should be used for the low wage level.
3.3.2 Median Wage level

For the Foreign Worker and In-Demand Skills streams, the position must meet or exceed the **median wage level** for the occupation in the specific employment region of Ontario where the applicant will be working. Please see Appendix 4 for steps on how to find the median wage level for the occupation.

**Note:** If the wage of the employment region where the applicant will work or report to work is not available on the Wage Report, the Ontario wage should be used for the median wage level.

3.3.3 Additional Wage Requirements for All Employer Job Offer Streams

For all streams, if the applicant is currently working in the position of the job offer, the wage of the job offer must:

- be equal to or greater than the wage that the applicant is currently earning in that position; and
- meet the low or median wage level (depending on the stream).

If the applicant is currently working in the position of the job offer, the applicant will be required to submit their two most recent pay slips to verify wage criteria.

The wage **does not** have to meet the low or median wage level, if the job offer is for a position whose pay is subject to a collective agreement.

**Note:** The program does not consider remuneration by piece work, bonuses, commissions, vacation pay or non-financial compensation as comprising part of an applicant’s offered wage. You may offer an applicant piece work, bonuses, commissions, or non-financial compensation in addition to base pay. However, these will not be considered part of the hourly base wage.

You must provide the hourly wage that the applicant will be paid. If the applicant will be a salaried employee, you can calculate the hourly wage as follows:

- Deduct any bonuses or other discretionary benefits from the annual salary.
- Divide the remaining amount by the number of weeks of work per year. You may use the standard 52 weeks in your calculation.
- Divide this amount by the number of hours of work per week.
- The remaining amount is the hourly wage.

3.4 Necessary to Employer’s Business

The position must be necessary to your business. This means that the job offer must align with your existing business activities.
3.5 Employment Activities

The anticipated employment activities related to the position must occur primarily in Ontario, unless the position is listed in NOC 7511 – Transport truck drivers.

3.6 Effective Date of Job Offer

The job offer must be effective the date that the applicant is nominated by the OINP if the applicant is already working for you in the approved employment position.

If the applicant is not currently working for you in the position of the job offer, the job offer is effective the date that the applicant obtains a work permit and begins working in the approved employment position.

This means that you must adhere to the terms and conditions in the job offer and begin paying the applicant the approved wage once they are nominated and begin working.

Ineligible Job Offers

A job offer will be considered ineligible and will not meet program requirements if:

1. The job offer is for a position that is:
   - seasonal or part-time, regardless of hours worked; or
   - a subcontractor or an agency position.

2. The job offer will affect the settlement of any labour dispute or the employment of a person involved in such a dispute.

3. The job offer is made to an applicant who holds or has held (or whose family members hold or have held) equity in the business, either directly or indirectly, unless:
   - the equity was obtained as part of the applicant’s remuneration as an employee; and
   - the total equity held by the applicant and their family members is/was less than 10%.

Note: A family member includes the applicant’s spouse, common law partner and children under the age of 22, including their children.

The applicant will need to submit supporting documents to demonstrate that the equity is part of the remuneration package, which outlines the terms of the equity (e.g. employment agreement).
4.0 DOCUMENTATION REQUIREMENTS

4.1 Mandatory Documents

The Employer Form and job offer must be provided to the applicant and uploaded as part of the application.

4.1.1 Employer Form

The Employer Form is a downloadable PDF form which can be downloaded here.

You, as the employer, must fill out the form electronically (not handwritten), print it, sign it and provide the applicant with the original signed and dated copy. The applicant will then upload the signed form as part of the online application.

The Employer Form must be submitted with the application within six (6) months from the date of signing.

You should carefully read and understand the authorizations and declarations set out in the Employer Form, as you are responsible for ensuring that all information is complete, true, and correct. If you do not agree or are not prepared to abide by the authorizations and declarations, you should not proceed with the application.

During the assessment of the application, additional supporting documents may be requested by the OINP to validate information included in the Employer Form.

Please see section 4.2 for a list of possible documents that may be requested.

Note: You will be asked to identify a signing officer for the purposes of the application. A signing officer is an officer of the business with the authority to bind the organization to a legal agreement or contract.

4.1.2 Job Offer

In addition to the Employer Form, you must provide the applicant with an original signed and dated job offer. The job offer must:

- Be printed on business letterhead and include the business address, telephone/fax numbers, email, and website addresses;
- Indicate the name of the responsible officer/supervisor and include their signature;
- Be stamped with the corporate seal (if applicable); and
- Indicate the following:
  - Job title
  - Wage offered for the position
Duties and responsibilities
Number of hours worked per week
Number of days/weeks of vacation
Workplace location
Employment start date
An indication that the offer being made is for a full-time position of an indeterminate duration.
Confirmation that the terms and conditions of the job offer are effective as of the date of nomination if the applicant is already working for you in the approved employment position or if the applicant is not, on the date that the applicant obtains a work permit and begins working for you in the approved employment position.

The job offer must be signed and dated by a person authorized to hire employees and must be signed and dated by the applicant confirming acceptance of the job offer.

If the applicant is currently working for you in the same position as the job offer, you may submit your original job offer signed by you and the applicant. The original job offer should meet the requirements listed above.

If the original job offer is older than six months, please include a current letter confirming your ongoing offer of employment and that the job offer meets the requirements listed above.

4.1.3 Other Mandatory Documents (as applicable)
If applicable, you must also provide the following documents to the applicant to be included in the application:

- A copy of your job advertisements, if you are required to demonstrate reasonable recruitment efforts. See section 2.6 for more information.
- A copy of your positive Labour Market Impact Assessment (LMIA) if you have one for the same NOC occupation as the position of the job offer (to verify you are exempt from demonstrating reasonable recruitment efforts).
- The applicable section of your collective agreement that outlines wage provisions, if the wage of the position offered to the applicant does not meet the low or median wage requirement but adheres to the wage provisions outlined in the collective agreement.

4.2 Additional Documents to Verify Program Criteria
The OINP may request additional supporting documentation to verify that the application meets employer criteria.

### 4.3 Document Translation and Notarization

If any of your supporting documents are not in English or French, you must provide a copy of the original document and a complete, **certified or notarized translation** of the document.

The translations must be completed by a **certified translator** accredited by the Association of Translators and Interpreters of Ontario (ATIO). For more information on certified translators in Ontario, visit the [ATIO’s website](#).

If you cannot locate a certified translator accredited by ATIO with proficiency in the language required for translation, the translation may be completed by any translator as long the translation is **notarized**. To request this exception, you must include a letter to explain why the translations are not certified and demonstrate your efforts to locate a certified translator.

You are responsible for all translation and notarization costs.

Applications with translations that are not complete, certified or notarized will be considered incomplete and will not be processed.

Translations that are completed by yourself, the applicant, a representative, or other individuals with personal ties to the applicant are not acceptable even if these individuals are certified translators.

### 5.0 AUTHORIZED REPRESENTATIVES

#### 5.1 Who is an Authorized Representative?

You may appoint an authorized representative to conduct business with the OINP on your behalf.

An authorized representative is an individual who represents, provides assistance, or advises you, the employer, in connection with your application (Employer Form), and who receives **any type of compensation** for doing so.
To act as a representative, an individual must have the authority to do so under section 14 of the *Ontario Immigration Act, 2015*. This means that the individual must belong to one of the following categories:

- a person who is authorized under the *Law Society Act* to do so;
- a member in good standing of the Immigration Consultants of Canada Regulatory Council; or
- any other individual prescribed by the Minister (none at present).

Persons authorized under the *Law Society Act* include the following:

- a lawyer who is a member in good standing of the Law Society of Ontario;
- a lawyer who is a member in good standing of another Canadian provincial or territorial law society and who is practicing law in Ontario in accordance with the requirements of Part VII of By-law 4 made under the *Law Society Act*.

*By-Law 4* provides for the “occasional practice of law” in Ontario. This by-law sets out the provisions for temporary mobility with or without a permit pursuant to which members of other Canadian provincial or territorial law societies may carry on the occasional practice of law in Ontario.

*Note:* Quebec and territorial lawyers currently require prior permission from the Law Society of Ontario before engaging in the occasional practice of law. This includes acting as a representative under the Act.

For more information regarding mobility and inter-jurisdictional practice, please visit the [Law Society of Ontario’s website](https://www.lsot.on.ca). Should you have further questions about whether a lawyer of another Canadian provincial or territorial law society is authorized to practice law in Ontario, please contact the [Law Society of Ontario](https://www.lsot.on.ca).

### 5.2 Appointing an Authorized Representative

To appoint an authorized representative, you and your representative must complete section A in the [Employer Form](https://www.canada.ca/en/immigration-refugees-citizenship/services/new-comers-canada/immigrant-selective-referral-program/employers.html).

Once an authorized representative is appointed to act on your behalf during the OINP application process, all OINP communications will be directed to your authorized representative. You will be copied on all correspondence to your authorized representative.

If you have an authorized representative, you are still responsible for ensuring that information provided to the OINP is not misleading and that it is accurate and complete.

For information on how to choose an authorized representative and for tips about how to protect yourself from fraud, please visit [IRCC’s website](https://www.canada.ca).
**IMPORTANT:** You must disclose the use of a representative to the OINP. If the OINP discovers that you have not disclosed a representative, the program may return the application as incomplete.

If you appoint a representative who is not an authorized representative, you will be contacted by the OINP and advised that the individual must be cancelled as your authorized representative.

### 5.3 Changing or Cancelling an Authorized Representative

To change or cancel an authorized representative, you must submit a signed copy of the [Appointing or Cancelling a Representative form](mailto:ontarionominee@ontario.ca) to the OINP via e-mail at ontarionominee@ontario.ca. Please ensure that you quote the applicant’s file number when submitting the form to the OINP.

Once an authorized representative is cancelled, they will no longer be able to access any information about the application with the OINP, nor will they be authorized to conduct any business on your behalf.

### 6.0 AFTER NOMINATION

If the application is successful, the applicant will be considered a “nominee” and will receive a Letter of Nomination and a work permit support letter, along with the OINP Confirmation of Nomination document.

Nominees must submit an application for permanent residence to IRCC within six (6) months of being nominated by the OINP.

**Note:** Nomination by OINP does not guarantee the approval of the nominee’s application for permanent residence by IRCC.

### 6.1 Work Permit Support Letter

Nominees may use their work permit support letter from the OINP to apply for a work permit from IRCC while their application for permanent residence is being processed.

The work permit support letter document is valid for six (6) months. If a nominee requires an extension to their work permit and their work permit is due to expire within three (3) months, the nominee may submit a request for a work permit support letter extension.

To request an extension, the nominee should email the OINP at ontarionominee@ontario.ca and provide the following information:
1. Copies of their two (2) most recent pay slips.
2. Scanned copy of their work permit.

The OINP will review the request and determine whether the nominee continues to meet the conditions of their nomination.

6.2 Conditions of Approval of an Employment Position

The approval of an employment position is subject to the following conditions:

1. The nominee must continue to demonstrate on a reasonable basis an intention to reside in Ontario; and
2. The nominee must be employed in the approved employment position as of the date of nomination if the applicant is already working for you in the approved employment position, or if the applicant is not, on the date that the applicant obtains a work permit and begins working for you in the approved employment position.
   - The conditions of employment must remain consistent with those set out in the approved employment position, which include, but are not limited to the approved wage, the duties of the position, the hours of work, and any other condition of employment set out in the job offer letter.

6.2.1 Changes in the Position of the Job Offer

You must notify the OINP immediately if there are changes to the conditions of the job offer, for example, the position title, duties, employment location, wages, and/or hours of work.

You will also need to notify the OINP if you offer a promotion to the nominee. You will need to submit a revised job offer signed by you and the nominee, the nominee’s current work permit and the nominee’s two most recent pay slips. If necessary, the OINP will issue an updated work permit support letter indicating the new position to the nominee.

You must notify the OINP if the job offer or employment is terminated by you or the nominee. Please note that the approval of the employment position and the nomination will be cancelled if the nominee is no longer working for you.

APPENDIX 2: FINDING THE POSITION NOC CODE

To find the NOC code for the position being offered to the applicant, visit the website of the National Occupational Classification (NOC) 2016, the authoritative resource on occupational information in Canada.

For example, if you are offering the applicant a position as a dietician in the Toronto Region, you would follow the steps below to find the NOC code:

**Step 1:** Visit the [NOC website](#) and click on 2016 version.
**Step 2:** Enter the title of the position in the Quick Search field. Select the most relevant result.

**Step 3:** Review the lead statements, main duties, and employment requirements of the position to ensure that they match the duties and qualifications for the position being offered, not just the title of the position. Choose the NOC code that most accurately reflects the position.

- Example: Selected: Dieticians and nutritionists – NOC Code 3132
3132 Dietitians and nutritionists

Dietitians and nutritionists plan, implement and oversee nutrition and food service programs. They are employed in a variety of settings including hospitals, home health-care agencies and extended care facilities, community health centres, the food and beverage industry, educational institutions, and government and sports organizations, or they may work as private consultants.

Example Titles
administrative dietitian
clinical dietitian
community nutritionist
consultant dietitian
dietitian
dietitian-nutritionist
nutrition specialist
nutritionist
public health dietitian
public health nutritionist
registered dietitian (RD)

Main duties
Dietitians and nutritionists perform some or all of the following duties:
- Develop, administer and supervise nutrition and food preparation and service programs in hospitals, nursing homes, schools, company cafeterias or similar settings
- Provide nutrition guidance, label interpretation and consultation services to health professionals, individuals, dietetic interns, community groups, government and the media
- Evaluate nutritional status of individuals and assist in the prevention and/or treatment of inadequate nutrition
- Plan, evaluate and conduct nutrition education programs and develop educational materials for various audiences
- Practice on an individual basis or as a member of an interdisciplinary team to determine nutritional needs of patients and to plan, implement and evaluate normal and therapeutic menus to maintain and enhance general health
- Analyze current scientific nutritional studies, conduct research and evaluate program effectiveness to improve the nutritional value, taste, appearance and preparation of food
- Work within industry in the development, testing and evaluation, and marketing of food and nutrition products or as a company representative supplying product related information to health professionals
- Confer with other health professionals, community groups, government and the media to provide consultation and advice in areas of nutrition interpretation, intervention and policy
- Supervise training of dietetic interns

Employment requirements
Dietitians and nutritionists may specialize in areas such as administrative dietetics, clinical dietetics, community dietetics, public health nutrition or research dietetics.

- Require a bachelor’s or master’s degree in dietetics, nutrition or a related field such as food and nutritional science or biochemistry
- A period of supervised practical training
- Registration with a regulatory body is required in all provinces for dietitians
- Membership in the national association, Dietitians of Canada, may be required for dietitians to practice
- Nutritionalists usually require similar education and training as dietitians
- Registration with a regulatory body is required for nutritionalists in Nova Scotia, (as a registered dietitian-nutritionist) in New Brunswick, Quebec and Alberta
- Membership with the national association, Dietitians of Canada, and/or a provincial regulatory body is available for nutritionists who have the same education and practical training as dietitians.
